SHR HAIR REMOVAL

SHR (Super Hair removal) is the latest breakthrough in hair removal technology that is safer, faster and PAIN FREE. Being more pleasant than the conventional systems.

DERMAPEN 4 SKIN NEEDLING TREATMENT

Designed to create a safe healing response within the body to ignite natural collagen and elastin production from within the skin, without harsh side effects and downtime.

PLASMA FIBROBLAST SKIN TIGHTENING

Plasma Skin Tightening is a new aged, non-invasive, antiaging treatment that immediately tightens loose and wrinkly skin with visible drastic results in one treatment.

Without the need for injectables (botox/filler), ablative lasers or surgery itself, this treatment provides long lasting, dramatic results in one quick session.

THERMALIFT RF SKIN TIGHTENING

An advanced skin tightening solution that is non-invasive, for a younger appearance without undergoing invasive surgery. Producing dramatic, long lasting smoothing and tightening results on the skin in a short timeframe.

A course of a minimum of 6 x weekly treatments is recommended for optimal results.
